Sir,

Sub: Japanese raw silk - Despatch to agents - Packing and a insurance against railway risk and pilferage Expenditure.

Ref: G.O. No. Ms. 4679, Development, dated 14th September, 1948.

In paragraph 3 of the above Government Order, Government have asked me to state whether the expenditure of Rs. 16,650/- sanctioned in paragraph 2 of the above G.O., will be included in the sale price and recovered from the ~~xx~~ consumers. As already state in my letter No. 39-J.S./48, dated 18th August 1948, the silk bales have to be delivered at the godowns of the agents and the packing and insurance having to be done to ensure safety in transit. The agents are to sell the silk at prices fixed by Government, from time to time. The amount proposed to be incurred towards insurance and packing charges are by way of incidental expenditure and which has to be met out of the profits expected out of the sale. Hence the expenditure is not to be included as an extra in the sale price and recovered from the consumers.
